# Michael Anderson

## REHABILITATION ORTHOTIST

Dynamic orthotist with over 7 years of experience in the field of rehabilitation orthotics. Focused on improving the functional abilities of individuals with disabilities through innovative orthotic solutions. Skilled in both clinical assessments and hands-on fabrication of devices that align with patient goals. Proven ability to work in fast-paced environments while maintaining high standards of care.

## EXPERIENCE

### REHABILITATION ORTHOTIST

Rehab Innovations

2016 - Present

- Designed and fabricated custom orthotic devices for patients with physical disabilities.
- Conducted comprehensive assessments to determine the most effective treatment plans.
- Collaborated with a team of healthcare professionals to optimize patient care.
- Educated patients on the proper use and benefits of orthotic devices.
- Maintained accurate documentation of patient progress and device effectiveness.
- Participated in workshops to learn about new technologies and techniques in orthotics.

### ORTHOTIC FABRICATOR

Health Partners

2014 - 2016

- Assisted in the fabrication of custom orthotic devices under the guidance of licensed orthotists.
- Learned to perform assessments and fittings for a variety of patient needs.
- Supported administrative tasks including patient record management.
- Participated in team meetings to discuss patient cases and improvement strategies.
- Maintained workshop cleanliness and organization of materials.
- Engaged in community outreach to raise awareness about rehabilitation services.
