

MICHAEL ANDERSON

Clinical Orthotist

Compassionate orthotist with 9 years of experience in providing orthotic services to patients with complex needs. Adept at creating custom solutions that address individual biomechanics and improve functional outcomes. Skilled in patient engagement, ensuring that clients feel supported throughout their orthotic journey. Strong background in collaborating with healthcare teams to implement effective treatment plans.

WORK EXPERIENCE

Clinical Orthotist

2020-2023

Comprehensive Orthotic Care

- Evaluated patient needs to design and fit custom orthotic devices.
- Worked collaboratively with physicians, therapists, and other healthcare providers.
- Educated patients on the use and maintenance of their orthotic devices.
- Documented patient progress to track outcomes and adjust treatments as necessary.
- Participated in interdisciplinary team meetings to discuss patient cases.
- Conducted follow-up assessments to ensure device efficacy and comfort.

Orthotic Trainee

2019-2020

Health Services Group

- Assisted in the fitting and adjustment of orthotic devices in a clinical setting.
- Learned about patient assessment protocols and documentation requirements.
- Gained experience in working with diverse patient populations.
- Supported the clinical team in preparing for patient appointments.
- Participated in training sessions on new orthotic technologies.
- Engaged in community outreach to educate the public about orthotic services.

ACHIEVEMENTS

- Recognized for outstanding patient satisfaction scores in a clinical setting.
- Developed a new patient education resource that improved understanding of orthotic services.
- Successfully implemented a follow-up procedure that enhanced patient compliance by 20%.
