WORK EXPERIENCE

Conservation Education Coordinator 2020-2023

Eco-Adventure Programs

- Developed and implemented conservation-focused outdoor education programs for schools and community groups.
- Led field trips and workshops that educate participants on local ecosystems and conservation efforts.
- Collaborated with environmental organizations to enhance program content and reach.
- Trained volunteers and staff on best practices for environmental education.
- Managed program logistics, ensuring compliance with safety and environmental regulations.
- Conducted evaluations to assess program impact and participant learning outcomes.

Outdoor Activities Leader 2019-2020

Nature Explorers Guild

- Facilitated outdoor activities that promote environmental awareness and appreciation among participants.
- Organized community events that engage local residents in conservation initiatives.
- Developed educational materials to support outdoor programming and environmental literacy.
- Evaluated participant feedback to improve program offerings and engagement.
- Maintained safety standards during all outdoor activities.
- Coordinated with local agencies to promote conservation efforts and outdoor recreation.

ACHIEVEMENTS

- Increased program participation by 60% through enhanced community outreach efforts.
- Recipient of 'Environmental Educator Award' for outstanding contributions to conservation education in 2023.
- Successfully developed a community garden initiative that engaged over 200 local residents.
