# MICHAEL ANDERSON

## DIRECTOR OF OUTDOOR PROGRAMS

Dedicated Outdoor Recreation Specialist with a commitment to sustainable practices and community engagement, possessing over 12 years of experience in outdoor program management and environmental education. Skilled in developing and implementing programs that promote conservation, health, and wellness through outdoor activities. Expertise in grant writing and fundraising initiatives, contributing to the financial sustainability of various projects.

## **PROFESSIONAL EXPERIENCE**

### **EcoAdventure Institute**

*Mar 2018 - Present*

Director of Outdoor Programs

- Oversaw the development and management of outdoor programs serving over 3,000 participants annually.
- Led a team of 20 staff and volunteers, ensuring high-quality program delivery and participant safety.
- Developed strategic partnerships with local businesses and organizations for program support.
- Secured funding through grants and donations, increasing budget by 40% over three years.
- Implemented evaluation processes to assess program impact and participant satisfaction.
- Advocated for policy changes to promote sustainable recreation practices in the community.

### **Green Earth Society**

*Dec 2015 - Jan 2018*

Environmental Educator

- Conducted workshops and field trips for schools, focusing on environmental conservation and outdoor skills.
- Designed educational materials for diverse audiences, enhancing engagement and understanding.
- Collaborated with local government to promote parks and recreational spaces.
- Trained volunteers to assist in educational programs and community events.
- Led community clean-up initiatives that removed over 5 tons of waste from local parks.
- Developed an online resource center for educators focusing on outdoor education.

## **ACHIEVEMENTS**

- Recognized for excellence in program development by the National Recreation and Park Association in 2020.
- Successfully led a campaign resulting in the preservation of 150 acres of parkland.
- Published articles on outdoor education practices in leading environmental journals.
