EDUCATION

ASSOCIATE DEGREE IN NURSING,
COMMUNITY COLLEGE OF NURSING,
2016

ACHIEVEMENTS

- Implemented a patient education initiative that led to a 15% improvement in diabetes management.
- Recognized for exceptional patient feedback and high satisfaction scores in 2021.
- Contributed to a team that received a health center quality award for innovative care practices.

PROFILE

Compassionate and detail-oriented Outpatient Care Nurse with 5 years of experience in providing quality nursing care within outpatient settings. I have a proven track record in delivering effective patient education and follow-up care for chronic conditions such as diabetes and hypertension. My strong communication skills allow me to build rapport with patients, ensuring they feel comfortable discussing their health concerns.

EXPERIENCE

OUTPATIENT CARE NURSE

Green Valley Health Center

2016 - Present

- Provided direct patient care, including assessments, medication administration, and wound care.
- Educated patients on managing their health conditions and the importance of routine follow-ups.
- Coordinated care with specialists to ensure comprehensive treatment for patients.
- Documented patient interactions and care plans in the EHR system for accurate tracking.
- Assisted in developing health promotion initiatives that increased patient engagement.
- Streamlined patient intake processes, resulting in a 10% reduction in appointment no-shows.

LICENSED PRACTICAL NURSE

Sunnydale Clinic

2014 - 2016

- Supported the outpatient nursing team by performing initial assessments and vital sign checks.
- Educated patients about medication adherence and lifestyle modifications.
- Managed appointment schedules to optimize patient flow and reduce wait times.
- Collaborated with nurses and physicians in developing care plans for patients.
- Provided follow-up care to patients, reinforcing education and monitoring progress.
- Participated in community health fairs to promote preventive care and wellness.
