Michael Anderson

OUTPATIENT CARE NURSE

Dynamic Outpatient Care Nurse with 7 years of experience in a fast-paced urban clinic. I specialize in providing care for diverse populations, including underserved communities. My approach is rooted in cultural competence, ensuring that I respect and understand patients' backgrounds while delivering effective healthcare. I am skilled in triaging patients, managing appointments, and coordinating with healthcare teams to provide timely interventions.

EXPERIENCE

OUTPATIENT CARE NURSE

Urban Health Clinic

2016 - Present

- Provided comprehensive nursing care to a diverse patient population in an urban setting.
- Performed triage assessments to prioritize patient needs effectively.
- Coordinated with multidisciplinary teams to develop patient-centered care plans.
- Educated patients on preventive care practices and available health resources.
- Maintained accurate patient records in the EHR system to ensure continuity of care.
- Initiated community health programs that increased patient access to services by 15%.

REGISTERED NURSE

Metro Medical Center

2014 - 2016

- Delivered direct patient care in the outpatient department, including assessments and interventions.
- Participated in patient education sessions focused on chronic disease management.
- Collaborated with social services to provide resources for at-risk populations.
- Documented patient progress and adjusted care plans as necessary.
- Engaged in health fairs and community outreach to promote wellness.
- Improved patient follow-up rates by 20% through effective scheduling practices.
