WORK EXPERIENCE

Recreation Analyst
Citywide Parks Department
2020-2023

- Conducted comprehensive needs assessments to identify community preferences for recreational programming.
- Analyzed program data to evaluate effectiveness and inform future offerings.
- Collaborated with community organizations to develop targeted initiatives.
- Presented findings to stakeholders to secure funding for new programs.
- Developed reports on program outcomes to guide strategic planning efforts.
- Utilized software tools for data analysis and reporting, streamlining processes.

Program Coordinator
Community Recreation Center
2019-2020

- Managed daily operations of recreational programs, ensuring quality service delivery.
- Facilitated training sessions for staff on program evaluation techniques.
- Engaged with participants to gather qualitative feedback for program improvement.
- Coordinated logistics for seasonal events, enhancing community participation.
- Established partnerships with local health organizations to promote active lifestyles.
- Implemented tracking systems to measure program engagement and satisfaction levels.

ACHIEVEMENTS

- Successfully increased program participation by 40% through data-driven enhancements.
- Recognized for 'Innovative Program Development' by the National Recreation Association in 2021.
- Developed a comprehensive report that led to a $200,000 funding increase for community programs.
