EDUCATION

Bachelor of Fine Arts in Architecture

California College of the Arts
2016-2020

SKILLS

- 3ds Max
- V-Ray
- Architectural Visualization
- Particle Simulation
- Client Collaboration
- Project Management

LANGUAGES

- English
- Spanish
- French

Experienced Particle Effects Artist with a robust background in environmental visual effects for architecture and design visualization. Proven ability to create realistic particle simulations that enhance the aesthetic and functional aspects of architectural presentations. Expertise in using software such as 3ds Max and V-Ray to produce high-quality visual effects that resonate with clients and stakeholders.

💼 WORK EXPERIENCE

Senior Visual Effects Artist   2020-2023

Autodesk

- Created realistic environmental effects for architectural visualizations.
- Collaborated with architects to ensure visual effects met design specifications.
- Utilized 3ds Max and V-Ray for high-quality particle simulations.
- Conducted client presentations to showcase visual effects capabilities.
- Maintained project timelines and ensured quality standards were met.
- Participated in design reviews, providing input on visual effects integration.

Visual Effects Artist   2019-2020

Design Visualization Studio

- Assisted in creating visual effects for architectural presentations.
- Learned to produce particle simulations that enhance design aesthetics.
- Collaborated with senior artists to refine visual effects based on feedback.
- Maintained documentation of visual effects processes for team use.
- Participated in client meetings to align visual effects with project goals.
- Supported testing phases to ensure visual impact and quality.

★ ACHIEVEMENTS

- Increased client satisfaction scores by 40% through enhanced visual effects.
- Contributed to award-winning architectural projects recognized for visual impact.
- Successfully managed multiple projects, delivering on time and within budget.
