MICHAEL ANDERSON

GERIATRIC NURSE

Compassionate and detail-oriented Patient Care Nurse with over 4 years of experience in the geriatric care field. I specialize in providing holistic care to elderly patients, ensuring their comfort and dignity in all aspects of health management. My nursing philosophy centers on treating the whole person rather than just the illness, which includes advocating for patient rights and preferences.

PROFESSIONAL EXPERIENCE

Sunrise Senior Living

Mar 2018 - Present

Geriatric Nurse

- Provided personalized nursing care to residents in a long-term care facility, focusing on individual needs.
- Conducted comprehensive assessments to identify health issues and develop care plans.
- Monitored medication administration and managed side effects for chronic conditions.
- Educated families on caregiving techniques and resources to enhance patient care at home.
- Implemented fall prevention strategies that reduced incidents by 30% within the facility.
- Facilitated supportive group sessions for residents to promote social interaction and mental well-being.

Caring Hands Home Health

Dec 2015 - Jan 2018

Home Health Nurse

- Delivered in-home nursing care to elderly patients, ensuring adherence to prescribed care plans.
- Assisted with activities of daily living, promoting independence and self-care.
- Coordinated with healthcare providers to optimize medication regimens and health outcomes.
- Educated patients and families about chronic disease management and prevention strategies.
- Documented patient progress and changes in condition, communicating with the care team effectively.
- Participated in training programs to enhance skills in geriatric care best practices.

ACHIEVEMENTS

- Implemented a resident wellness program that increased participation in activities by 50%.
- Awarded 'Nurse of the Year' for exemplary service and dedication in 2021.
- Recognized for developing a caregiver resource guide that improved family support systems.
