Michael Anderson

PEDIATRIC DENTIST

Ambitious Pediatric Dentist with a unique blend of clinical expertise and a passion for advocacy in children's dental health. I have over 7 years of experience working in both private practice and public health settings, striving to improve access to quality dental care for all children. My approach emphasizes preventive dentistry and education, aiming to empower families to prioritize oral health from an early age.

EXPERIENCE

PEDIATRIC DENTIST

Child's Smile Dental

2016 - Present

- Conducted dental examinations and treatments in a welcoming environment.
- Implemented educational workshops on oral hygiene for children and parents.
- Collaborated with local schools to provide free dental check-ups.
- Utilized tele-dentistry for follow-up appointments, improving accessibility.
- Managed a diverse patient base, including those with special needs.
- Achieved a 95% satisfaction rate from patient feedback surveys.

ASSOCIATE DENTIST

Community Dental Health Center

2014 - 2016

- Supported lead dentist in delivering care to children from low-income families.
- Promoted preventive care strategies that improved oral health outcomes.
- Engaged in community outreach, providing dental education and screenings.
- Utilized patient management software to streamline appointment scheduling.
- Participated in team training to enhance patient interaction skills.
- Increased patient enrollment in preventive care programs by 20%.
