ACHIEVEMENTS

- Recognized as 'Nurse of the Month' for exceptional patient care in the emergency department.
- Improved patient flow in the emergency department by implementing a new triage protocol.
- Contributed to a team project that reduced average treatment time for pediatric patients by 25%.

PROFILE

Enthusiastic Pediatric Nurse with 5 years of experience specializing in emergency care for children. Highly skilled in triaging, assessing, and treating pediatric patients in urgent care settings. Known for a calm demeanor in high-pressure situations and a commitment to providing thorough education to families regarding their child's health. Focused on continuous improvement and professional development in pediatric emergency protocols.

EXPERIENCE

PEDIATRIC EMERGENCY NURSE

Children's Medical Center Dallas

2016 - Present

- Triaged patients effectively to prioritize care in a fast-paced emergency department.
- Administered emergency medications and interventions, stabilizing critical patients.
- Educated families on treatment plans and follow-up care requirements.
- Collaborated with physicians in high-stakes situations to expedite care delivery.
- Maintained accurate patient records, ensuring compliance with hospital guidelines.
- Participated in monthly training sessions to stay current on pediatric emergency practices.

PEDIATRIC NURSE

Memorial Hermann Hospital

2014 - 2016

- Provided direct patient care in a busy pediatric unit, ensuring comfort and safety.
- Monitored and recorded vital signs, and reported any significant changes to the medical team.
- Assisted in developing individualized nursing care plans based on patient assessments.
- Educated parents on managing chronic conditions at home, improving patient outcomes.
- Facilitated support groups for families dealing with pediatric illness, enhancing community connections.
- Conducted safety drills and participated in hospital-wide emergency preparedness initiatives.
