### WORK EXPERIENCE

#### PEDIATRIC GASTROINTESTINAL SURGEON

Nicklaus Children's Hospital

2020 - 2025

- Performed over 250 gastrointestinal surgeries with a focus on congenital and acquired conditions.
- Utilized laparoscopic techniques to minimize patient trauma and expedite recovery.
- Collaborated with pediatric gastroenterologists to create comprehensive treatment plans.
- Engaged in patient and family education to ensure understanding of surgical processes.
- Conducted research on postoperative care protocols resulting in a 20% reduction in complications.
- Participated in community health initiatives aimed at raising awareness of pediatric gastrointestinal issues.

#### SURGICAL RESIDENT

Children's Healthcare of Atlanta

2015 - 2020

- Assisted in over 300 surgeries, gaining diverse experience in pediatric surgical techniques.
- Participated in daily rounds and case discussions to enhance clinical decision-making skills.
- Conducted research on surgical outcomes, contributing to evidence-based practice.
- Provided compassionate care and support to patients and their families during recovery.
- Engaged in educational outreach programs focused on pediatric health and nutrition.
- Recognized for exceptional teamwork and dedication to patient care during residency.
