MICHAEL ANDERSON

GERIATRIC PERIODONTIST

Compassionate Periodontist with a focus on geriatric dentistry and treating patients with complex medical histories. With over 12 years of experience, I have cultivated a specialized skill set that allows me to provide tailored periodontal care to elderly patients. I am an advocate for interdisciplinary collaboration, working closely with medical professionals to ensure comprehensive care.

PROFESSIONAL EXPERIENCE

Senior Dental Care Associates

Mar 2018 - Present

Geriatric Periodontist

- Customized treatment plans for elderly patients, resulting in a 30% improvement in patient compliance.
- Conducted thorough assessments to identify periodontal needs in patients with multiple comorbidities.
- Established collaborative care protocols with healthcare providers to ensure comprehensive treatment.
- Provided education on oral care specific to geriatric populations, enhancing patient understanding.
- Utilized minimally invasive techniques to reduce discomfort during procedures.
- Created a supportive environment for patients to discuss their dental anxieties and concerns.

Community Dental Center

Dec 2015 - Jan 2018

Periodontist

- Successfully managed periodontal disease in high-risk patients, improving overall health outcomes.
- Educated caregivers on the importance of periodontal maintenance for elderly patients.
- Implemented a follow-up system that improved patient re-engagement by 40%.
- Conducted training for staff on the unique needs of geriatric dental care.
- Utilized patient feedback to enhance the quality of services provided.
- Engaged in community outreach to raise awareness of oral health in older adults.

ACHIEVEMENTS

- Received recognition for excellence in geriatric dental care from the National Dental Association.
- Increased patient retention rates by 35% through personalized care initiatives.
- Published research on periodontal treatment outcomes for elderly patients.
