ACHIEVEMENTS

- Recognized for exceptional performance with a 'Star Employee' award in 2021.
- Contributed to a project that streamlined surgical schedules, reducing delays by 15%.
- Implemented a patient feedback system that increased satisfaction ratings significantly.

PROFILE

Ambitious and detail-oriented Perioperative Nurse with 5 years of experience in a fast-paced surgical environment. My career has been driven by a passion for improving patient outcomes and supporting surgical teams through effective communication and technical skills. Proficient in assessing patient needs, preparing for surgeries, and providing postoperative care. I have a strong track record of maintaining a sterile environment and ensuring compliance with safety standards.

EXPERIENCE

PERIOPERATIVE NURSE

Advanced Surgical Center

2016 - Present

- Assisted in over 300 surgical procedures, ensuring optimal patient positioning and safety.
- Maintained strict adherence to sterile techniques, contributing to zero surgical site infections.
- Conducted preoperative assessments, identifying and addressing patient concerns effectively.
- Collaborated with surgeons and anesthesiologists to develop individualized care plans.
- Educated patients and families on postoperative care, enhancing recovery experiences.
- Participated in weekly team meetings to discuss case outcomes and improve processes.

STAFF NURSE

Regional Medical Center

2014 - 2016

- Provided comprehensive nursing care in the preoperative and postoperative settings.
- Assisted in the management of patients with diverse surgical needs, including general and plastic surgery.
- Implemented patient education programs that improved satisfaction scores by 20%.
- Utilized advanced monitoring equipment to assess patient conditions during surgery.
- Actively participated in hospital committees focused on improving surgical care quality.
- Received positive feedback from patients for excellent bedside manner and support.
