## EDUCATION

### M.Sc. in Pharmaceutical Chemistry

University of Pharmaceutical Sciences  
2016

## SKILLS

- drug development
- analytical testing
- teamwork
- regulatory compliance
- laboratory techniques
- problem-solving

## LANGUAGES

- English
- Spanish
- French

## WORK EXPERIENCE

### Pharmaceutical Development Chemist

2020-2023

NextGen Pharma

- Involved in the formulation and development of innovative drug delivery systems.
- Conducted analytical tests using HPLC and UV-Vis spectroscopy to ensure product quality.
- Collaborated with R&D teams to design experiments and analyze data.
- Assisted in the preparation of documentation for regulatory submissions.
- Maintained accurate records of laboratory work and results.
- Provided training to interns on laboratory techniques and safety protocols.

### Junior Chemist

2019-2020

PharmaWorks

- Supported senior chemists in the development and testing of pharmaceutical products.
- Conducted basic analytical tests and maintained laboratory equipment.
- Assisted in writing reports for research findings and presentations.
- Participated in team meetings to discuss project progress and goals.
- Learned and applied laboratory safety protocols effectively.
- Engaged in ongoing training and development opportunities to enhance skills.

## ACHIEVEMENTS

- Contributed to the successful launch of two new drug products in 2021.
- Improved testing efficiency by 15% through the introduction of new protocols.
- Recognized for excellence in teamwork and collaboration during product development projects.
