MICHAEL ANDERSON

ENVIRONMENTAL PHOTOJOURNALIST

Innovative photojournalist with a focus on environmental issues and sustainable practices, bringing over 12 years of experience in visual storytelling. Expertise in documenting the effects of climate change and conservation efforts through striking imagery that raises awareness and drives action. Proficient in both traditional and digital photography techniques, with a strong command of post-production editing tools.

PROFESSIONAL EXPERIENCE

EcoVision Media

Mar 2018 - Present

Environmental Photojournalist

- Documented climate change impact through immersive photo essays.
- Collaborated with scientists to visualize data and research findings.
- Produced multimedia content for online campaigns promoting sustainability.
- Engaged with local communities to capture grassroots conservation efforts.
- Utilized drone technology to capture aerial photography for environmental studies.
- Edited content for digital platforms, ensuring alignment with brand messaging.

Green Earth Journal

Dec 2015 - Jan 2018

Photojournalist

- Covered environmental disasters, highlighting their human and ecological impacts.
- Created compelling visual narratives that drive public engagement in environmental issues.
- Worked with non-profits to produce educational materials and visual advocacy.
- Conducted field research to inform photography projects and story development.
- Participated in panels discussing the role of photography in environmental activism.
- Maintained a strong online portfolio showcasing work to attract new projects.

ACHIEVEMENTS

- Winner of the Environmental Photographer of the Year award in 2019.
- Featured in National Geographic for a groundbreaking photo series on climate change.
- Contributed to a documentary that won an Emmy Award for Outstanding Investigative Journalism.
