## WORK EXPERIENCE

**Research Compliance Officer** 2020-2023  
Research Institute of Science

- Developed and implemented compliance programs for research activities, ensuring adherence to federal guidelines.
- Conducted regular audits of research projects, identifying non-compliance issues and providing solutions.
- Trained research staff on compliance standards and ethical research practices.
- Collaborated with faculty to ensure research proposals met compliance requirements.
- Maintained documentation for regulatory submission and audit readiness.
- Participated in institutional review board meetings to address compliance concerns.

**Compliance Analyst** 2019-2020  
University Compliance Office

- Assisted in the development of compliance training materials for faculty and staff.
- Conducted compliance reviews of grant applications to ensure regulatory compliance.
- Monitored changes in regulations affecting research compliance and communicated updates.
- Facilitated workshops to promote awareness of compliance practices in research.
- Supported audits by preparing documentation and coordinating with external auditors.
- Maintained compliance databases and reporting systems to track compliance metrics.

## ACHIEVEMENTS

- Successfully developed a compliance training program that increased staff adherence by 60%.
- Recognized for excellence in research compliance with an 'Outstanding Compliance Officer' award.
- Contributed to the institution achieving a 100% compliance rate during federal inspections.
