EDUCATION

MASTER OF SCIENCE IN ENVIRONMENTAL SCIENCE, UNIVERSITY OF GREEN, 2013

ACHIEVEMENTS

- Recognized with the 'Outstanding Educator Award' by the Green Earth Initiative in 2021.
- Secured a \$15,000 grant for sustainable community projects.
- Featured speaker at the National Environmental Education Conference, sharing innovative outreach strategies.

PROFILE

Results-driven Physical Sciences Outreach Specialist with a strong background in environmental science and sustainability education. Over 8 years of experience in developing and implementing outreach programs that promote environmental awareness and conservation. Adept at creating engaging educational content that inspires action and encourages community participation. Proven ability to work collaboratively with government agencies, non-profit organizations, and educational institutions to drive impactful science initiatives.

EXPERIENCE

ENVIRONMENTAL OUTREACH EDUCATOR

Green Earth Initiative

2016 - Present

- Developed and delivered educational programs on sustainability for over 3,000 local residents.
- Created interactive workshops that led to a 50% increase in community participation in recycling programs.
- Collaborated with local schools to integrate environmental science into their curriculum, impacting over 1,000 students.
- Organized community clean-up events that engaged more than 500 volunteers and removed 2 tons of waste from local parks.
- Conducted surveys to assess community needs, resulting in tailored educational content.
- Established partnerships with local businesses to promote sustainable practices and reduce waste.

PROGRAM COORDINATOR

Department of Environmental Protection

2014 - 2016

- Managed statewide outreach campaigns to educate the public on environmental regulations and best practices.
- Developed training materials for a new volunteer program that successfully recruited over 200 participants.
- Implemented evaluation metrics to assess program effectiveness, leading to a 30% improvement in participant knowledge retention.
- Organized annual environmental fairs that attracted over 10,000 attendees and featured educational exhibits.
- Worked with legislators to advocate for policies supporting environmental education in schools.
- Authored a monthly newsletter that reached 5,000 subscribers, sharing tips on sustainable living.
