SKILLS

- Quality Assurance
- Aerospace Standards
- Risk Management
- Team Leadership
- Analytical Tools
- Supplier Audits

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN AEROSPACE
ENGINEERING, AEROSPACE
UNIVERSITY, 2009**

ACHIEVEMENTS

- Successfully reduced product defects by 35% through the implementation of a new quality management system.
- Awarded 'Excellence in Quality' for outstanding contributions to aerospace safety.
- Led a team that improved inspection processes, resulting in a 20% decrease in inspection time.

WORK EXPERIENCE

SENIOR QUALITY ASSURANCE SPECIALIST

AeroTech Industries

2020 - 2025

- Led the development and implementation of quality control systems for aerospace components.
- Conducted risk assessments and established mitigation strategies for quality-related issues.
- Collaborated with engineering teams to ensure quality requirements were integrated into designs.
- Oversaw the training and development of quality assurance staff.
- Managed supplier quality audits and evaluations to ensure compliance with standards.
- Prepared comprehensive quality reports for executive management.

QUALITY INSPECTOR

Skyward Aerospace

2015 - 2020

- Performed inspections and testing of aerospace materials and components for quality assurance.
- Utilized advanced measurement tools to assess compliance with specifications.
- Documented inspection outcomes and maintained quality records.
- Participated in continuous improvement projects to enhance quality processes.
- Collaborated with cross-functional teams to resolve quality issues.
- Provided technical support for quality-related inquiries and challenges.
