UNIVERSITY OF FLORIDA**

ACHIEVEMENTS

- Achieved a 20% reduction in laboratory incidents over two years through enhanced training.
- Implemented a new chemical safety reporting system that improved efficiency.
- Received an award for excellence in safety management from the industry association.

PROFILE

Enthusiastic and detail-oriented Physical Sciences Safety Specialist with over 8 years of experience in laboratory safety management within the pharmaceutical industry. My background includes extensive work in chemical safety, risk assessment, and compliance with FDA regulations. I have a strong ability to evaluate and improve safety procedures to protect personnel and the environment.

EXPERIENCE

LABORATORY SAFETY MANAGER

PharmaTech Inc.

2016 - Present

- Managed laboratory safety programs, ensuring compliance with FDA and OSHA regulations.
- Conducted bi-annual safety audits, identifying areas for improvement and implementing corrective actions.
- Developed and maintained safety training sessions for over 100 laboratory personnel.
- Led the implementation of a new chemical inventory system, enhancing tracking accuracy.
- Collaborated with R&D teams to ensure safety measures were integrated into experimental protocols.
- Monitored safety equipment and ensured proper maintenance and usage across labs.

SAFETY COORDINATOR

HealthSafe Labs

2014 - 2016

- Assisted in the development of laboratory safety policies and procedures.
- Facilitated safety training for new employees, covering essential safety protocols.
- Conducted risk assessments and developed mitigation strategies for hazardous materials.
- Managed emergency response plans, ensuring all staff were trained and prepared.
- Monitored compliance with safety standards and reported findings to management.
- Engaged in safety committee discussions to promote a culture of safety within the organization.
