### SKILLS

- Technology integration
- Operational efficiency
- Data analysis
- Safety compliance
- Team collaboration
- Project management

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN INDUSTRIAL ENGINEERING, UNIVERSITY OF CALIFORNIA, BERKELEY**

### ACHIEVEMENTS

- Achieved a 30% improvement in pipeline monitoring accuracy through technology implementation.
- Recognized for outstanding team leadership and operational results.
- Successfully reduced maintenance costs by 25% through innovative practices.

### WORK EXPERIENCE

#### PIPELINE OPERATIONS MANAGER

FutureTech Pipelines

2020 - 2025

- Implemented innovative technologies to enhance pipeline monitoring and integrity.
- Managed the operational aspects of pipeline systems, ensuring compliance with safety regulations.
- Developed and executed maintenance programs that increased system reliability.
- Collaborated with IT teams to integrate data analytics into operational processes.
- Facilitated training sessions for staff on new technologies and safety protocols.
- Oversaw project budgets, achieving a 15% decrease in costs through efficiency gains.

#### OPERATIONS ENGINEER

Energy Innovations

2015 - 2020

- Conducted pipeline inspections and audits to ensure adherence to safety standards.
- Utilized predictive analytics to inform maintenance decision-making.
- Coordinated with environmental teams to ensure compliance with regulations.
- Developed operational reports to track performance metrics.
- Engaged in stakeholder communication to align project goals.
- Improved operational workflows, resulting in a 20% increase in efficiency.
