# MICHAEL ANDERSON

## URBAN PLANT PROPAGATION SPECIALIST

A dedicated Plant Propagation Specialist with 5 years of experience in urban horticulture and landscape design. Expertise in propagating a diverse range of plants suited for urban environments, focusing on enhancing green spaces and promoting biodiversity. Skilled in interpreting design plans and selecting appropriate plant species to achieve aesthetic and ecological goals.

## PROFESSIONAL EXPERIENCE

### **City Green Spaces**

*Mar 2018 - Present*

Urban Plant Propagation Specialist

- Developed propagation strategies for urban plant species.
- Collaborated with landscape architects on green space projects.
- Conducted workshops on urban gardening techniques.
- Implemented watering and fertilization schedules for optimal growth.
- Maintained accurate records of plant propagation and growth.
- Engaged with community members to promote urban biodiversity.

### **Urban Oasis**

*Dec 2015 - Jan 2018*

Horticulture Technician

- Assisted in the propagation and care of ornamental plants.
- Managed inventory of plants and propagation materials.
- Participated in landscape installation projects throughout the city.
- Monitored plant health and implemented pest control measures.
- Provided support during community gardening events.
- Documented plant growth and maintenance activities.

## ACHIEVEMENTS

- Increased community participation in urban gardening programs by 40%.
- Successfully implemented a sustainable planting project in a local park.
- Recognized for excellence in community outreach and education in 2021.
