EDUCATION

**BACHELOR OF SCIENCE IN
AGRICULTURAL SCIENCE, FARM
UNIVERSITY, 2015**

ACHIEVEMENTS

- Increased crop yield by 20% through optimized propagation techniques.
- Successfully implemented a new automation system that reduced labor costs by 15%.
- Recognized with the 'Excellence in Horticulture' award in 2020.

WORK EXPERIENCE

COMMERCIAL PLANT PROPAGATION MANAGER

AgriGrow Solutions

2020 - 2025

- Oversaw large-scale propagation of commercial crops.
- Implemented automation technologies to streamline production processes.
- Developed growth protocols to maximize crop yield and quality.
- Analyzed production data to identify areas for improvement.
- Managed a team of propagation technicians to ensure efficiency.
- Ensured compliance with agricultural regulations and safety standards.

PROPAGATION ASSISTANT

Harvest Farms

2015 - 2020

- Assisted in the propagation of high-demand agricultural crops.
- Monitored growing conditions and made adjustments as necessary.
- Supported the implementation of new propagation technologies.
- Maintained cleanliness and organization in propagation facilities.
- Documented growth progress and reported to management.
- Participated in training sessions on best practices for crop propagation.
