### EDUCATION

#### Certification in Welding and Metal Fabrication

Trade School  
2016

### SKILLS

- Metal fabrication
- machinery operation
- teamwork
- quality control
- safety training
- technical skills

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Plate Fabricator

2020-2023

Rapid Fabrication Services

- Fabricated various metal components for a range of industrial uses.
- Operated machinery for cutting, shaping, and assembling metal plates.
- Maintained quality control throughout the fabrication process.
- Collaborated with team members to improve production workflows.
- Engaged in safety training to enhance workplace safety culture.
- Documented production activities and maintained inventory records.

#### Metal Fabrication Apprentice

2019-2020

Local Fabricators Co.

- Assisted in the fabrication of metal parts under supervision.
- Learned to operate basic fabrication machinery and tools.
- Participated in training sessions focused on safety and quality.
- Maintained a clean and organized workspace to ensure safety.
- Supported senior fabricators with various tasks.
- Developed skills in reading technical drawings.

### ACHIEVEMENTS

- Achieved a 97% quality rating on fabricated components.
- Recognized for dedication and reliability in completing projects.
- Contributed to a team initiative that improved production efficiency by 10%.
