# MICHAEL ANDERSON

## PLUMBING INSPECTOR SUPERVISOR

Expert Plumbing Inspection Technician with a rich background in residential plumbing systems and over 12 years of dedicated experience. Possesses a comprehensive understanding of plumbing installation standards and inspection protocols. Demonstrated ability to identify and rectify plumbing deficiencies while ensuring compliance with local and national regulations. Known for a strong analytical mindset and exceptional attention to detail, leading to improved safety outcomes and enhanced client trust.

## **PROFESSIONAL EXPERIENCE**

### **HomeSafe Inspections**

*Mar 2018 - Present*

Plumbing Inspector Supervisor

- Supervised a team of plumbing inspectors, ensuring adherence to safety standards.
- Conducted in-depth inspections of residential plumbing systems to assess compliance.
- Implemented quality control measures that reduced inspection errors by 35%.
- Coordinated with homeowners to explain inspection findings and recommendations.
- Authored detailed reports summarizing inspection results and compliance status.
- Trained new inspectors on inspection methodologies and safety protocols.

### **Reliable Plumbing Co.**

*Dec 2015 - Jan 2018*

Plumbing Installer

- Installed residential plumbing systems following local codes and standards.
- Conducted preliminary inspections to ensure installations met regulatory requirements.
- Collaborated with contractors to resolve installation challenges effectively.
- Executed repairs on existing plumbing systems to enhance functionality.
- Maintained accurate records of installations and inspections conducted.
- Participated in community education initiatives on plumbing maintenance.

## **ACHIEVEMENTS**

- Boosted team inspection accuracy by 50% through targeted training initiatives.
- Received the 'Excellence in Leadership' award from HomeSafe Inspections in 2022.
- Successfully led a project that improved community plumbing safety awareness.
