# MICHAEL ANDERSON

## COMMERCIAL PLUMBING FOREMAN

Experienced Plumbing Service Technician with a robust background in commercial plumbing systems and infrastructure. Demonstrates a deep understanding of plumbing codes and regulations, ensuring seamless operations in high-capacity environments. Recognized for superior troubleshooting skills and the ability to execute complex installations under tight deadlines. Proven ability to collaborate effectively with contractors and project managers, ensuring alignment on project objectives.

## **PROFESSIONAL EXPERIENCE**

### **Metro Plumbing Group**

*Mar 2018 - Present*

Commercial Plumbing Foreman

- Oversaw installation and maintenance of plumbing systems in commercial buildings.
- Coordinated with project managers to align plumbing work with construction timelines.
- Conducted site inspections to ensure compliance with safety regulations.
- Trained and mentored junior technicians in technical and safety protocols.
- Managed inventory and procurement of plumbing materials for projects.
- Resolved on-site plumbing issues quickly to minimize project delays.

### **Citywide Plumbing Services**

*Dec 2015 - Jan 2018*

Plumbing Technician

- Performed troubleshooting and repairs on various commercial plumbing systems.
- Assisted with installation of water supply and drainage systems.
- Maintained accurate records of service calls and repairs performed.
- Engaged in regular training to enhance technical skills and knowledge.
- Collaborated with other trades to ensure seamless project execution.
- Provided exceptional customer service during service calls and installations.

## **ACHIEVEMENTS**

- Successfully completed over 50 commercial plumbing projects with zero safety violations.
- Increased project efficiency by implementing new scheduling techniques.
- Received commendation for outstanding leadership on a major renovation project.
