MICHAEL ANDERSON

PLUMBING SUPERVISOR

Accomplished plumbing supervisor with a solid foundation in commercial plumbing operations and project management. Renowned for strategic planning and execution capabilities, adept at navigating complex plumbing installations while adhering to regulatory requirements. Possesses a deep knowledge of plumbing technologies and trends, enabling the implementation of innovative solutions that enhance system performance and reliability.

PROFESSIONAL EXPERIENCE

Global Plumbing Innovations

Mar 2018 - Present

Plumbing Supervisor

- Managed plumbing operations for large-scale commercial projects, ensuring timely completion and quality standards.
- Developed project plans and schedules, aligning resources effectively to meet deadlines.
- Conducted risk assessments and implemented mitigation strategies for plumbing installations.
- Reviewed and approved plumbing designs to ensure compliance with industry standards.
- Trained staff on latest plumbing technologies and safety practices.
- Maintained relationships with key stakeholders, ensuring open communication throughout project lifecycles.

Metro Plumbing Services

Dec 2015 - Jan 2018

Plumber Foreman

- Oversaw plumbing crews on various construction sites, ensuring adherence to timelines and quality benchmarks.
- Implemented safety protocols and trained crews on compliance with OSHA regulations.
- Assisted in the design of plumbing systems for commercial buildings.
- Coordinated with subcontractors to facilitate efficient project execution.
- Managed procurement of plumbing materials and equipment, optimizing supply chain processes.
- Conducted performance evaluations for crew members, fostering professional development.

ACHIEVEMENTS

- Successfully led a team in completing a \$5 million commercial plumbing project under budget.
- Improved project delivery times by 25% through effective resource management.
- Recognized for outstanding leadership during high-pressure project phases.
