# MICHAEL ANDERSON

## INSTRUCTOR OF PLUMBING TECHNOLOGY

Respected Plumbing Trades Instructor with a decade of experience in educating aspiring plumbers and promoting industry standards. Possesses an extensive background in plumbing technology, system design, and regulatory compliance. Demonstrates a passion for teaching and a commitment to student success, employing innovative instructional techniques that cater to varied learning styles.

## **PROFESSIONAL EXPERIENCE**

### **City Community College**

*Mar 2018 - Present*

Instructor of Plumbing Technology

- Delivered lectures on plumbing systems, installation methods, and safety practices.
- Facilitated hands-on training workshops in a fully equipped plumbing lab.
- Developed practical assessments that accurately measure student competencies in plumbing tasks.
- Engaged in community outreach programs to promote plumbing education.
- Collaborated with faculty to integrate interdisciplinary approaches into the plumbing curriculum.
- Mentored students to prepare for industry certifications and licensing exams.

### **Trade School of Excellence**

*Dec 2015 - Jan 2018*

Vocational Plumbing Instructor

- Instructed students in plumbing installation, maintenance, and repair techniques.
- Created a comprehensive syllabus that aligned with industry standards and practices.
- Evaluated student progress through practical exams and classroom assessments.
- Organized guest speaker events featuring industry leaders to enhance student learning.
- Maintained accurate records of student achievements and attendance.
- Participated in ongoing professional development workshops to improve teaching effectiveness.

## **ACHIEVEMENTS**

- Recognized as 'Outstanding Educator' by the National Association of Plumbing Instructors.
- Successfully led a student competition team to win state-level plumbing contests.
- Increased student job placement rates by 20% through industry partnerships.
