# MICHAEL ANDERSON

## LEAD PLUMBING ENGINEER

Accomplished Plumbing Tradesperson specializing in commercial plumbing systems and infrastructure. With over 12 years of experience, possesses a deep understanding of plumbing design, installation, and maintenance for large-scale projects. Proven expertise in managing multiple projects simultaneously while ensuring adherence to safety standards and regulatory compliance. Strong analytical skills complemented by a detail-oriented approach enable the identification and rectification of complex plumbing issues efficiently.

## PROFESSIONAL EXPERIENCE

### **National Plumbing Corp.**

*Mar 2018 - Present*

#### Lead Plumbing Engineer

- Directed plumbing installation for high-rise commercial buildings, ensuring all work met regulatory standards.
- Conducted feasibility studies for plumbing systems in pre-construction phases.
- Developed and implemented quality control procedures to enhance workmanship.
- Oversaw a team of plumbers, providing technical guidance and support.
- Evaluated plumbing designs to optimize functionality and reduce costs.
- Maintained communication with stakeholders to ensure project alignment and success.

### **Metro Plumbing Services**

*Dec 2015 - Jan 2018*

#### Plumbing Foreman

- Managed plumbing installations for commercial renovations, ensuring timely project completion.
- Coordinated with subcontractors and suppliers to streamline operations.
- Ensured compliance with safety regulations and building codes.
- Trained new hires on plumbing techniques and safety standards.
- Developed project schedules and budgets to maintain profitability.
- Performed regular inspections to uphold quality and efficiency in plumbing work.

## ACHIEVEMENTS

- Successfully completed over 50 commercial projects with zero safety violations.
- Recognized for excellence in project delivery timelines and budget adherence.
- Awarded 'Best Plumbing Engineer' by the National Plumbing Association in 2021.
