WORK EXPERIENCE

Community Health Advocate

2020-2023

Equity Health Network

- Developed and led community-based health outreach initiatives targeting low-income populations.
- Facilitated focus groups to gather community input for program development.
- Collaborated with local organizations to provide health education and resources.
- Monitored health outcomes to assess the effectiveness of interventions.
- Advocated for policy changes to improve access to healthcare services.
- Trained volunteers to support health education efforts within the community.

Health Program Manager

2019-2020

Social Justice Health Alliance

- Managed health programs aimed at reducing disparities in healthcare access.
- Utilized data to identify priority health needs within the community.
- Facilitated partnerships with local stakeholders to enhance program effectiveness.
- Developed educational resources to promote health literacy among community members.
- Evaluated program outcomes and reported findings to funders and stakeholders.
- Secured funding for health initiatives through grant writing and proposals.

ACHIEVEMENTS

- Increased access to health services by 35% in targeted communities.
- Recognized with the Community Leadership Award for outstanding advocacy in 2021.
- Secured over \$200,000 in funding for health initiatives in underserved areas.
