MICHAEL ANDERSON

Pediatric Rehabilitation Specialist

Results-oriented Post Injury Training Specialist with a focus on pediatric rehabilitation. Over 8 years of experience in developing and implementing rehabilitation programs tailored for children recovering from injuries. Expertise in utilizing play-based therapy and engaging activities to facilitate recovery and improve mobility. Strong advocate for family involvement in the rehabilitation process, ensuring that caregivers are equipped with necessary tools and knowledge.

WORK EXPERIENCE

Pediatric Rehabilitation Specialist

2020-2023

Kids' Health Rehabilitation Center

- Designed and implemented play-based rehabilitation programs for children.
- Conducted assessments to evaluate children's mobility and functional abilities.
- Collaborated with families to set realistic recovery goals.
- Utilized adaptive equipment to facilitate participation in therapy.
- Monitored progress and adjusted treatment plans based on individual needs.
- Educated families on strategies to support recovery at home.

Rehabilitation Aide

2019-2020

Pediatric Therapy Services

- Assisted therapists in implementing pediatric rehabilitation programs.
- Supported children during therapy sessions and encouraged participation.
- Maintained a safe and engaging therapy environment for young patients.
- Documented children's progress and reported findings to supervising therapists.
- Participated in team meetings to discuss patient care strategies.
- Provided administrative support, including scheduling and documentation.

ACHIEVEMENTS

- Increased patient engagement in therapy sessions by 40% through innovative techniques.
- Recognized for developing a family education program on pediatric recovery.
- Contributed to a research project on childhood rehabilitation outcomes published in a clinical journal.
