ACHIEVEMENTS

- Improved patient satisfaction scores by 25% through enhanced education initiatives.
- Implemented a post-discharge follow-up program that reduced readmission rates by 15%.
- Recognized as Employee of the Year for excellence in patient care and leadership.

PROFILE

Experienced Postoperative Care Nurse with a strong background in surgical recovery and rehabilitation. Over the past 10 years, I have worked in various healthcare settings, specializing in orthopedics and bariatric surgery. My role as a nurse has allowed me to develop a comprehensive approach to patient care, focusing on both physical and emotional recovery.

EXPERIENCE

SENIOR POSTOPERATIVE CARE NURSE

HealthFirst Surgical Center

2016 - Present

- Oversaw the postoperative care of patients following orthopedic and bariatric surgeries.
- Developed and implemented individualized patient care plans based on recovery goals.
- Conducted daily assessments and modified care plans as needed, improving recovery rates.
- Coordinated with physical therapists to facilitate early mobilization post-surgery.
- Maintained strong communication with families regarding patient progress and care needs.
- Trained and supervised junior nursing staff in postoperative protocols and procedures.

POSTOPERATIVE CARE NURSE

Metro General Hospital

2014 - 2016

- Cared for patients recovering from various surgical procedures, including appendectomies and knee replacements.
- Monitored patients' vital signs and responded to changes in conditions promptly.
- Provided education on medication management and wound care to patients and families.
- Actively participated in case conferences to address complex patient needs.
- Documented patient progress and interventions in the electronic health record system.
- Collaborated with nursing and surgical teams to ensure continuity of care.
