# Michael Anderson

## POSTOPERATIVE CARE NURSE

Compassionate and detail-oriented Postoperative Care Nurse with 7 years of experience in surgical nursing. I have a proven track record of providing exceptional care to patients recovering from various surgical procedures, including gastrointestinal and urological surgeries. My approach focuses on holistic care, ensuring that I address not only the physical but also the emotional aspects of recovery.

## EXPERIENCE

### POSTOPERATIVE CARE NURSE

Riverside Surgical Center

2016 - Present

- Provided comprehensive postoperative care for patients post-gastrointestinal surgeries.
- Monitored patients' recovery closely, addressing complications with urgency.
- Educated patients on nutrition and activity restrictions during recovery.
- Collaborated with dietitians to create tailored meal plans for optimal recovery.
- Documented patient progress in EHR, ensuring accurate and timely records.
- Engaged with families to provide updates on patient status and recovery plans.

### STAFF NURSE

Healthwise Hospital

2014 - 2016

- Cared for postoperative patients recovering from urological procedures.
- Monitored vital signs and managed patient pain levels effectively.
- Educated patients on self-care strategies and follow-up appointments.
- Maintained accurate documentation of patient care and interventions.
- Participated in multidisciplinary team rounds to discuss patient care strategies.
- Contributed to quality improvement projects aimed at enhancing postoperative care.
