## POSTOPERATIVE CARE NURSE

Compassionate Postoperative Care Specialist with 6 years of experience in providing high-quality care to patients recovering from surgery. My approach centers on patient-centered care, ensuring that each patient feels supported and informed throughout their recovery journey. I have developed strong skills in monitoring vital signs, managing pain levels, and educating patients about their recovery processes.

## **PROFESSIONAL EXPERIENCE**

### **Eastside Medical Center**

*Mar 2018 - Present*

#### Postoperative Care Nurse

- Monitored patients' vital signs and identified any complications early, leading to timely interventions.
- Provided emotional support and encouragement to patients during their recovery.
- Educated patients on pain management techniques and postoperative care.
- Collaborated with surgical teams to ensure continuity of care.
- Maintained accurate and up-to-date patient records in electronic systems.
- Assisted in the training of new nursing staff on postoperative protocols.

### **Northern Health Clinic**

*Dec 2015 - Jan 2018*

#### Surgical Technician

- Prepared operating rooms and ensured all supplies were sterile and ready for procedures.
- Assisted surgeons during operations, providing necessary instruments and support.
- Monitored patients post-anesthesia to ensure safe recovery.
- Engaged in patient education regarding postoperative expectations.
- Documented surgical procedures and patient responses accurately.
- Supported nursing staff in postoperative care during peak hours.

## **ACHIEVEMENTS**

- Improved patient satisfaction scores related to postoperative care by 15%.
- Recognized for exceptional teamwork and collaboration among surgical staff.
- Received a commendation for outstanding patient education efforts.
