

MICHAEL ANDERSON

SUSTAINABLE POTTERY DESIGNER

PROFILE

Accomplished Pottery Artisan with a focus on eco-friendly practices and sustainable materials. Expertise in creating unique, handcrafted pottery that resonates with environmental consciousness. Demonstrated ability to innovate traditional pottery methods to reduce waste while enhancing artistic expression. Skilled in various construction techniques, including wheel throwing and hand building, with a commitment to quality and craftsmanship.

EXPERIENCE

SUSTAINABLE POTTERY DESIGNER

Green Earth Pottery

2016 - Present

- Designed and produced eco-friendly pottery using recycled materials, reducing environmental impact.
- Developed a unique line of biodegradable glazes, increasing product appeal.
- Conducted workshops on sustainable pottery practices, attracting environmentally conscious customers.
- Collaborated with local businesses to promote sustainability initiatives.
- Managed inventory and supply chain to ensure minimal waste in production.
- Implemented a customer feedback system to improve product offerings and service.

ARTISAN POTTERY MAKER

Local Artisans Collective

2014 - 2016

- Created custom pottery pieces for local businesses and private clients, enhancing community ties.
