# MICHAEL ANDERSON

## POULTRY NUTRITIONIST

Results-oriented Poultry Farm Specialist with extensive experience in poultry nutrition and feed formulation. Over 12 years in the poultry industry, focusing on optimizing feed efficiency and improving livestock health. Expertise in conducting nutritional research and developing tailored feeding programs. Proven ability to analyze data and implement changes that result in significant cost savings and production improvements.

## **PROFESSIONAL EXPERIENCE**

### **NutriPoultry Solutions**

*Mar 2018 - Present*

Poultry Nutritionist

- Developed customized feed formulations for various poultry species.
- Conducted research on feed ingredients and their impact on bird health.
- Collaborated with farmers to implement nutritional strategies.
- Analyzed production data to optimize feed conversion ratios.
- Presented findings at industry conferences and workshops.
- Trained staff on best practices for feed management.

### **Poultry Feed Co.**

*Dec 2015 - Jan 2018*

Feed Quality Coordinator

- Ensured quality control of feed products through testing and analysis.
- Managed supplier relationships to secure high-quality ingredients.
- Implemented feed safety protocols to comply with industry regulations.
- Conducted training sessions on feed handling and storage.
- Monitored feed inventory levels and managed supply chain logistics.
- Collaborated with nutritionists to improve feed formulations.

## **ACHIEVEMENTS**

- Increased feed efficiency by 15% through innovative formulations.
- Presented research findings at the National Poultry Conference.
- Recognized for contributions to feed safety by industry peers.
