

# MICHAEL ANDERSON

Integrative Poultry Veterinarian

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Compassionate and knowledgeable Poultry Veterinarian with a focus on integrative health practices. With over 6 years of experience in veterinary care for poultry, I specialize in holistic approaches that enhance both animal health and farm productivity. My training includes alternative therapies alongside conventional medicine, allowing for comprehensive treatment plans tailored to individual flocks.

## WORK EXPERIENCE

### Integrative Poultry Veterinarian | Holistic Flocks LLC

Jan 2022 – Present

- Provided integrative veterinary care for poultry, combining traditional and holistic approaches.
- Assessed flock health and developed personalized wellness plans for farmers.
- Implemented natural disease prevention strategies that improved flock health.
- Conducted workshops to educate farmers on alternative therapies.
- Collaborated with nutritionists to create holistic feed options.
- Trained staff on holistic health practices and their implementation in farms.

### Veterinary Technician | Community Animal Clinic

Jul 2019 – Dec 2021

- Assisted in the care of various animals, including poultry, in a clinical setting.
- Monitored patient health and communicated findings to veterinarians.
- Helped educate clients on preventive care and wellness strategies.
- Maintained a clean and organized clinical environment.
- Participated in community outreach to promote animal health awareness.
- Engaged in continuing education to learn about alternative therapies in veterinary medicine.
