### SUMMARY

Dynamic and results-oriented Poverty Studies Researcher with over 8 years of experience in social science research and program evaluation. Proven ability to design and implement comprehensive research methodologies that inform policy decisions aimed at poverty alleviation. Possess a strong background in quantitative and qualitative research techniques, including statistical analysis, focus groups, and case studies.

---

### WORK EXPERIENCE

#### Senior Research Analyst Global Poverty Research Institute

Jan 2023 - Present

- Led a multi-year study on the impact of microfinance programs in rural communities, resulting in a 25% increase in local entrepreneurship.
- Developed and executed surveys and focus groups to collect qualitative data, enhancing program effectiveness.
- Utilized SPSS and R for data analysis, producing reports that influenced policy recommendations.
- Collaborated with local governments and NGOs to implement findings, fostering community-driven approaches to poverty alleviation.
- Presented research findings at international conferences, enhancing the organization's reputation in the field.
- Mentored junior researchers, improving team productivity and research quality.

#### Research Associate Institute for Social Change

Jan 2020 - Dec 2022

- Conducted comprehensive literature reviews on poverty trends, contributing to the organization's knowledge base.
  - Assisted in the design and execution of field studies, improving data collection methods.
  - Analyzed demographic data using Excel and Tableau, providing visual insights for stakeholders.
  - Collaborated with community partners to ensure alignment of research objectives with local needs.
  - Prepared research briefs for policymakers, facilitating informed decision-making.
  - Participated in grant writing, securing funding for future research projects.
- 

### EDUCATION

#### Ph.D. in Sociology, University of Chicago

Sep 2019 - Oct 2020

---
