SKILLS

- Preventive Maintenance
- Team Management
- Safety Compliance
- CMMS
- Equipment Reliability
- Training Development

EDUCATION

BACHELOR OF SCIENCE IN MECHANICAL ENGINEERING, STATE UNIVERSITY, 2010

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Achieved a 30% reduction in unplanned outages through effective maintenance strategies.
- Recognized for outstanding performance in safety management and compliance.
- Successfully improved equipment reliability metrics by 25% over three years.

Michael Anderson

MAINTENANCE SUPERVISOR

Dedicated Power Plant Maintenance Engineer with a significant background in coal-fired power generation, possessing over 12 years of hands-on experience in maintenance operations. Expertise in implementing preventive maintenance programs and conducting thorough inspections to ensure the reliability of power generation equipment. Demonstrated ability to manage maintenance teams effectively while fostering a culture of safety and operational excellence.

EXPERIENCE

MAINTENANCE SUPERVISOR

Coal Power Solutions

2016 - Present

- Supervised maintenance activities for a 600 MW coal-fired power plant.
- Implemented preventive maintenance schedules to enhance system reliability.
- Conducted safety audits and compliance checks to ensure adherence to regulations.
- Managed a team of technicians in executing maintenance tasks and repairs.
- Utilized CMMS for planning and tracking maintenance activities.
- Developed training programs for technicians on safety and equipment handling.

MAINTENANCE ENGINEER

Energy Solutions Corp

2014 - 2016

- Conducted inspections and maintenance of coal handling equipment.
- Participated in the troubleshooting of mechanical and electrical systems.
- Assisted in the development of maintenance protocols and procedures.
- Maintained accurate records of maintenance activities and outcomes.
- Collaborated with engineering teams on system upgrades and modifications.
- Provided training support for new hires in maintenance practices.
