SKILLS

- Gas Turbine Operations
- Predictive Maintenance
- Project Management
- Team Development
- Regulatory Compliance
- Performance Optimization

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
MECHANICAL ENGINEERING, GEORGIA
INSTITUTE OF TECHNOLOGY**

ACHIEVEMENTS

- Achieved 'Excellence in Safety' award for outstanding safety performance.
- Reduced operational costs by 15% through efficiency initiatives.
- Successfully led a major turbine upgrade project under budget and ahead of schedule.

WORK EXPERIENCE

GAS TURBINE PLANT MANAGER

TurboPower Energy

2020 - 2025

- Managed operations of a 300 MW gas turbine power plant, achieving a 99% reliability rate.
- Implemented predictive maintenance strategies, resulting in a 20% reduction in unplanned outages.
- Led a team of engineers in optimizing turbine performance and efficiency.
- Coordinated major overhauls and upgrades, ensuring minimal disruption to operations.
- Monitored compliance with environmental regulations and safety standards.
- Developed training programs to enhance technical skills of operational staff.

OPERATIONS SUPERVISOR

Energy Solutions Group

2015 - 2020

- Supervised day-to-day operations of a gas-fired power facility, ensuring optimal output.
- Conducted regular inspections and audits to maintain safety and compliance.
- Collaborated with maintenance teams to schedule repairs and minimize downtime.
- Analyzed performance data to identify trends and implement corrective actions.
- Facilitated safety training and emergency response drills for all personnel.
- Engaged with local communities to promote transparency and operational integrity.
