

MICHAEL ANDERSON

LEAD PREOPERATIVE ASSESSMENT PHYSICIAN

PROFILE

Results-oriented Preoperative Assessment Physician with a focus on optimizing surgical readiness and minimizing perioperative risks. With over 15 years of experience in both hospital and outpatient settings, I have developed a keen ability to assess patients' medical histories and physical conditions effectively. My approach emphasizes personalized care, ensuring that each patient receives a thorough evaluation tailored to their unique health challenges.

EXPERIENCE

LEAD PREOPERATIVE ASSESSMENT PHYSICIAN

Metropolitan Surgical Center

2016 - Present

- Oversaw preoperative assessments for a surgical center performing over 500 surgeries monthly.
- Implemented a triage system that prioritized high-risk patients, reducing complication rates by 25%.
- Conducted training workshops for medical staff on preoperative evaluation best practices.
- Utilized data analytics to track patient outcomes and refine assessment protocols.
- Enhanced patient satisfaction through comprehensive education on preoperative procedures.
- Coordinated care with anesthesiologists to optimize anesthesia plans based on patient assessments.

SENIOR PHYSICIAN, PREOPERATIVE ASSESSMENT

Regional Health System

2014 - 2016

- Evaluated preoperative readiness for complex surgical cases, improving safety and outcomes.
- Developed a risk stratification tool that aided in surgical decision-making.
- Collaborated with surgical teams to streamline patient pathways and reduce delays.
- Presented at national conferences on advancements in preoperative assessment methods.
- Mentored junior physicians, enhancing their skills in patient assessment and care coordination.
- Conducted research that led to publications in peer-reviewed medical journals.
