### WORK EXPERIENCE

#### STEM PRESCHOOL TEACHER

Discovery Kids Academy

2020 - 2025

- Designed and implemented STEM-based curricula that increased student interest in science and math by 50%.
- Organized hands-on experiments that encouraged teamwork and collaborative problem-solving.
- Utilized technology tools to enhance learning, including coding and robotics for preschoolers.
- Facilitated workshops for parents on supporting STEM learning at home.
- Monitored student progress and adapted lessons to meet individual learning needs.
- Established partnerships with local businesses to provide real-world learning opportunities.

#### PRESCHOOL TEACHER

Future Innovators Preschool

2015 - 2020

- Implemented a technology-rich learning environment that fostered creativity and innovation.
- Led science-themed events that engaged the community and promoted STEM education.
- Provided individualized support to students to enhance their understanding of core concepts.
- Collaborated with fellow teachers to integrate STEM activities across the curriculum.
- Conducted assessments to evaluate student understanding and adjust teaching methods accordingly.
- Created a resource library for parents to encourage STEM learning at home.
