Compassionate and engaging Preschool Teacher with over 9 years of experience focused on social-emotional learning. My teaching philosophy centers on nurturing the whole child, emphasizing emotional intelligence and resilience alongside academic achievement. I have developed programs that promote self-regulation, empathy, and interpersonal skills among preschoolers. I work closely with families to support children's emotional development and create a positive classroom environment that encourages open communication and trust.

WORK EXPERIENCE

Preschool Teacher | Emotional Growth Academy

Jan 2022 – Present

- Implemented a social-emotional curriculum that improved students' emotional literacy by 40%.
- Facilitated mindfulness activities that promoted focus and self-awareness among students.
- Created a responsive classroom environment that fostered trust and open communication.
- Worked with parents to develop strategies for supporting emotional growth at home.
- Conducted workshops on emotional intelligence for educators and parents.
- Monitored children's emotional development and adjusted teaching strategies accordingly.

Lead Preschool Teacher | Nurture and Grow Preschool

Jul 2019 – Dec 2021

- Designed activities that emphasized cooperative play and emotional regulation.
