## **EXPERTISE SKILLS**

- Energy sector fabrication
- Regulatory compliance
- Safety management
- Predictive maintenance
- Project budgeting
- Supplier relations

## **LANGUAGES**

- English
- Spanish
- French

## **CERTIFICATION**

- Bachelor of Science in Chemical Engineering, Texas A&M University, 2013

# MICHAEL ANDERSON

## SENIOR FABRICATION ENGINEER

Accomplished Pressure Vessel Fabricator with a profound emphasis on energy sector applications. Demonstrated expertise in the design, fabrication, and testing of high-pressure systems used in power generation and oil refining. Possesses a comprehensive understanding of the regulatory landscape, ensuring all projects meet or exceed industry standards. Recognized for delivering projects on time and within budget, employing strategic planning and resource management.

## **PROFESSIONAL EXPERIENCE**

### **Energy Innovators Corp**

*Mar 2018 - Present*

Senior Fabrication Engineer

- Directed the fabrication of pressure vessels for power plants, ensuring compliance with ANSI standards.
- Implemented predictive maintenance programs that reduced downtime by 25%.
- Coordinated with engineering teams on design modifications to enhance safety features.
- Managed project budgets, achieving a 10% cost savings on average.
- Conducted training sessions on safety protocols for fabrication teams.
- Developed and maintained relationships with key suppliers for materials sourcing.

### **PetroServe Inc.**

*Dec 2015 - Jan 2018*

Pressure Vessel Fabricator

- Fabricated pressure vessels utilized in oil refining processes, ensuring quality and safety.
- Performed non-destructive testing to verify material integrity.
- Collaborated with quality assurance teams for compliance audits.
- Utilized 3D modeling software for design verification.
- Participated in safety reviews and incident investigations.
- Documented fabrication processes and prepared reports for management review.

## **ACHIEVEMENTS**

- Recognized for delivering a critical project ahead of schedule, saving the company \$500,000.
- Improved compliance audit scores by 15% through process enhancements.
- Received 'Employee of the Year' award for exceptional performance.
