MICHAEL ANDERSON

PREVENTIVE DENTISTRY SPECIALIST

Enthusiastic Preventive Dentistry Specialist with 5 years of dedicated experience in promoting oral health through hands-on preventive care.

Committed to educating patients about the significance of preventive measures and providing personalized care that meets their unique needs.

Proficient in the use of modern dental technologies and techniques to enhance patient experiences and outcomes.

PROFESSIONAL EXPERIENCE

Clearview Dental

Mar 2018 - Present

Preventive Dentistry Specialist

- Provided preventive care services, including cleanings and fluoride treatments, to over 150 patients monthly.
- Educated patients on effective oral hygiene practices tailored to individual lifestyles.
- Utilized intraoral cameras to enhance patient understanding of their oral health status.
- Developed and distributed educational materials that improved patient awareness of preventive care.
- Tracked patient progress and adjusted care plans based on individual needs and outcomes.
- Participated in dental health fairs to promote awareness in the community.

Sunny Smiles Dental

Dec 2015 - Jan 2018

Dental Assistant

- Assisted dentists in performing preventive procedures, ensuring a seamless workflow.
- Managed patient appointments and follow-ups to enhance patient experience.
- Educated patients on the importance of preventive care during visits.
- Maintained cleanliness and sterilization of instruments and workspaces to ensure safety.
- Collected patient data and histories to inform preventive care strategies.
- Contributed to a 15% increase in patient satisfaction scores through improved service delivery.

ACHIEVEMENTS

- Increased patient retention rates by 20% through personalized follow-up strategies.
- Recognized for exceptional service with a Patient Care Excellence award in 2020.
- Implemented a new patient feedback system that enhanced care quality.
