PROFILE

Dynamic Previsualization Artist with a rich background in visual effects and animation, encompassing over 6 years of diverse industry experience. Adept at transforming conceptual ideas into compelling visual representations, leveraging a robust understanding of both artistic principles and technical workflows. Proven track record of collaborating with creative teams to produce high-quality previsualization content that effectively communicates narrative intent and enhances production efficiency.

EXPERIENCE

PREVISUALIZATION ARTIST

Starlight Animation Studios

2016 - Present

- Designed and executed previsualization sequences for animated feature films, enhancing narrative flow.
- Collaborated with directors to interpret scripts into visual formats, ensuring artistic coherence.
- Utilized After Effects and Cinema 4D to create dynamic storyboards and visual effects.
- Conducted thorough research on visual trends to inform creative decisions and design choices.
- Reviewed and revised previsualization work based on feedback from production teams.
- Participated in client presentations, showcasing visual concepts and story development.

JUNIOR PREVISUALIZATION ARTIST

Creative Media Group

2014 - 2016

- Assisted in the creation of previsualization assets for various commercial projects.
- Worked alongside senior artists to develop storyboards and animatics for client pitches.
- Utilized Photoshop and SketchUp to create visual layouts and designs.
- Maintained organized project files and documentation for efficient workflow.
- Participated in brainstorming sessions, contributing creative ideas for visual storytelling.
- Supported the team in preparing materials for client reviews and presentations.
