

Michael

ANDERSON

PREVISUALIZATION ARTIST

Innovative Previsualization Artist with over 5 years of dedicated experience in the realms of animation and visual effects. Known for a keen artistic sensibility combined with a strong grasp of technical methodologies, resulting in the creation of visually striking previsualization assets that effectively communicate narrative intent. Proven track record of collaborating with cross-functional teams to deliver high-quality visual content on time and within budget.

WORK EXPERIENCE

PREVISUALIZATION ARTIST

Bright Future Animations

2020 - 2025

- Created intricate storyboards and animatics for animated series, enhancing visual storytelling.
- Collaborated with writers and directors to conceptualize and visualize character arcs.
- Utilized Toon Boom and After Effects to develop engaging visual sequences.
- Provided constructive feedback on peer projects, fostering a collaborative environment.
- Maintained project timelines and ensured deliverables met production schedules.
- Engaged in creative brainstorming sessions to generate innovative ideas for animation.

JUNIOR PREVISUALIZATION ARTIST

Future Media Productions

2015 - 2020

- Assisted in the development of previsualization assets for various media projects.
- Worked under senior artists to learn advanced previsualization techniques.
- Utilized Photoshop and Blender to create visual layouts and designs.
- Participated in client meetings to discuss project goals and expectations.
- Maintained organized documentation of project files for easy access.
- Supported the team in preparing materials for presentations and reviews.
