

MICHAEL ANDERSON

PRIMARY CARE CLINICIAN

PROFILE

Compassionate and results-oriented Primary Care Clinician with 5 years of experience in a busy urban clinic setting. Known for building strong relationships with patients and providing high-quality care that addresses both physical and emotional health needs. Adept at utilizing technology to enhance patient care and streamline office operations. Passionate about preventive medicine and community education, often organizing workshops to promote healthy living.

EXPERIENCE

PRIMARY CARE CLINICIAN

Urban Health Center

2016 - Present

- Managed a diverse patient panel of over 200 individuals, providing comprehensive care tailored to their unique needs.
- Increased patient satisfaction scores by 30% through improved communication and care coordination.
- Developed and facilitated community health workshops focusing on nutrition and exercise.
- Utilized telemedicine to increase access to care for patients in underserved areas.
- Collaborated with social workers to address social determinants of health impacting patients.
- Maintained accurate patient records using an advanced electronic health record system.

MEDICAL ASSISTANT

Family Health Clinic

2014 - 2016

- Assisted in the delivery of patient care, including taking vitals and preparing patients for examinations.
- Coordinated patient referrals and follow-up appointments to ensure continuity of care.
- Managed inventory and ordered medical supplies to maintain clinic operations.
- Educated patients on medication management and lifestyle changes.
- Participated in quality improvement initiatives to enhance clinic efficiency.
- Provided administrative support including scheduling and patient intake processes.
