# MICHAEL ANDERSON

## GERIATRIC PRIMARY CARE PHYSICIAN

Innovative Primary Care Clinician with 10 years of experience focusing on geriatric medicine. Acknowledged for expertise in managing complex health conditions in older adults and fostering collaborative relationships with patients and their families. Committed to enhancing the quality of life for seniors through tailored care plans and active involvement in multidisciplinary teams.

## PROFESSIONAL EXPERIENCE

### **Senior Health Associates**

*Mar 2018 - Present*

#### Geriatric Primary Care Physician

- Provided comprehensive medical care to a panel of over 250 elderly patients, focusing on chronic disease management.
- Implemented innovative fall prevention programs that reduced incident rates by 25%.
- Developed and led caregiver education sessions to enhance support for patients' families.
- Utilized telehealth to conduct regular follow-ups, improving patient accessibility to care.
- Collaborated with geriatric specialists to ensure holistic treatment approaches for complex cases.
- Maintained detailed patient records, ensuring compliance with healthcare regulations and standards.

### **Community Hospital**

*Dec 2015 - Jan 2018*

#### Resident Physician in Family Medicine

- Managed patient care across multiple disciplines, including internal medicine and pediatrics.
- Participated in research focused on improving health outcomes in the geriatric population.
- Engaged in multidisciplinary case reviews to enhance patient management strategies.
- Assisted with the development of preventive care initiatives targeting the elderly.
- Provided mentorship to medical students and interns during clinical rotations.
- Conducted health screenings and immunization clinics for senior citizens.

## ACHIEVEMENTS

- Received the 'Excellence in Geriatric Care' award from the Geriatric Society in 2022.
- Increased patient engagement by 40% through the introduction of health monitoring apps.
- Published an article on best practices in geriatric care in a leading medical journal.
