WORK EXPERIENCE

Pediatric Primary Care Physician 2020-2023
Children's Health Clinic

- Managed a patient panel of 400 children, focusing on preventive care and chronic condition management.
- Increased childhood vaccination rates by 25% through targeted outreach and education programs.
- Conducted developmental assessments and provided guidance to parents on child health.
- Utilized EMR systems to maintain detailed patient records and track growth milestones.
- Collaborated with schools to promote health awareness and screenings.
- Engaged in community service initiatives aimed at improving children's access to healthcare.

Family Medicine Intern 2019-2020
General Medical Center

- Assisted in providing care to pediatric and adult patients in a family medicine setting.
- Conducted patient interviews and documented health histories in EMR.
- Participated in health promotion activities focused on nutrition and physical activity.
- Shadowed experienced pediatricians to enhance clinical skills in child health.
- Engaged in case discussions to formulate patient care strategies.
- Contributed to quality improvement projects to enhance patient care delivery.

ACHIEVEMENTS

- Awarded 'Outstanding Pediatrician' by a local health organization in 2021.
- Implemented a family health education program that improved health literacy by 30%.
- Organized a community health fair that provided free screenings for over 200 children.
